

ODE TO A SOLDIER

21

Written by singer/songwriter/musician and Brandon's dad Tommy Mullins

Wings to Fly

Written by singer/songwriter and our beautiful friend Delena Smith over 30 years ago. This song based on Isaiah 40:31 has brought life time and time again with its message of hope and faith in God.

Down on My Knees

Written by singer/songwriter/worship pastor Wayne Morris. Even in our darkest days, true joy comes in the morning when we begin each day down on our knees.

Do Your Best

Written by singer/songwriter/storyteller Layton Howerton. Long after we've died and gone to heaven and our children have followed us there.... a hard song to sing but powerful in that joy is born out of sorrow and that we should just do our best no matter the circumstance.

Sacrifice

Co-written by singer/songwriter Jenny Beth Willis along with award winning fiddle player/producer/teacher and all around great guy Randy Lanham as a thank you to the brave men and women who protect us each and everyday in service as police officers or firefighters as well as our military whether behind the scenes or on the front lines of the battlefield thousands of miles away.

Brave

Written by singer/songwriter/radio personality and creative extrodinaire Chad Benefield. Poetically written, this song is for anyone going through a crisis in life. Whether it be the loss of a loved one, a life threatening illness, or other overwhelming situation, we can be brave and we can be strong.

6:34

Written by artist/musician/songwriter Dustin Taylor, a high school friend of Brandon. Dustin knew first hand how passionate and fearless Brandon lived his life. He wrote this song based on the scripture Matthew 6:34 that says not to worry about tomorrow and to seize your days, just like how Brandon lived his life.

21 ODE TO A SOLDIER

Dear Family & Friends,

This project is a collection of our favorite inspirational songs written by a few of our closest friends. Working on this project has not been easy, however, it has helped us greatly in working through the heartache and pain from the loss of our brave warrior.

Just before Brandon deployed as an infantryman with the 1st Stryker Brigade Fort Wainwright, Alaska, he left a voicemail so we could hear his voice anytime while he was away. Just three months later on August 25, 2011 Brandon was killed when his unit was attacked by an IED in Afghanistan.

These past six years have been very difficult and we still grieve everyday for our little soldier boy. However, we do find great strength in our faith and great support from our family and friends. We want to thank everyone who has helped us along the way. And, we want to specially thank the following for their help with this project. [Matt & Nicole Gray of Gray Sky Music](#), [Delena Smith](#), [Wayne Morris](#), [Layton Howerton](#), [Randy Lanham](#), [Jenny Beth Willis](#), [Brian Snyder](#), [Gary Laughery](#), [Dustin Taylor](#), and [Chad Benefield](#).

This project is dedicated to Brandon's brother Shaun and his family, Ashley, Fox, and Pierce, and to Brandon's Sister Bethany and her family, Steven and Alice, and any future little Mullins' that may grace our family.

This project is also dedicated to the many Gold Star Families we've met along the way who have lost a son or daughter in service of our country, and to all those who have lost a child. We are on this journey together and we hope these songs may bring you a little hope and inspiration as they have for us.

With love,
[Tommy & Cathy](#)

All proceeds benefit the Brandon Scott Mullins Memorial Foundation 501c3 to fund leadership scholarships and veterans support projects.
